## ORIGEN

Fossil, una colección con amplia gama cromática y gran variedad de formatos. Su gráfica suave y de textura trabajada, genera en los ojos de quién lo observa un tejido infinito que une todas sus piezas. Los decorados textiles aportan una nota de frescura a la colección Fossil, que ofrece un conjunto decorativo único lleno de paz y elegancia a partes iguales.

Contiene un esquema de color en tonos sobrios y fríos, lo que la hace una colección fuerte y sobria, juega con las tonalidades y con las texturas de los tejidos naturales para dar vida a la decoración.

## ORIGIN

Fossil, a collection with a wide range of colors and a variety of formats. Its smooth and textured graphics generate an infinite amount of fabric in the eyes of the viewer, joining all its pieces. Textile decorations add a note of freshness to the Fossil collection, which offers a unique decorative ensemble full of peace and elegance in equal measure.

It contains a color pallet with sober and cold tones, which makes it an amazing collection, playing with the tones and textures of natural fabrics to give life to the decoration.
