Dai resti della classicità, la pietra di Luni, con la sua semplicità, rivela tutta la grandezza e la maestosità di quella che fu a suo tempo un'antica gloria italiana.

Reminiscent of classical antiquity, Pietra di Luni reveals, in all its simplicity, the majesty and grandeur that was once one of the glories of ancient Italy.

Des ruines du classicisme, la pierre de Luni, avec sa simplicité, révèle toute la grandeur et la majesté de ce que fut à son époque une antique gloire italienne.

Aus den Resten der Klassik enthüllt der Stein von Luni mit seiner Einfachheit die ganze Größe und Erhabenheit dessen, was seinerzeit eine antike italienische Glorie war.
