## INFORMAZIONI GENERALI - GENERAL INFORMATIONS

- Prodotto in porcellanato smaltato con impasti colorati. Superficie naturali e superfici antislip. Bordi rettificati e bordi tagliati. Coloured body glazed porcelain tiles and rectified edges. Natural surfaces and antislip surfaces. Rectified edges and cut edges.
- Tutte le misure sono nominali. Le conversioni in pollici sono approssimate ed arrotondate. All sizes are nominal. The conversions into inches are approximate and rounded off.
- Le confezioni contengono il prodotto con diverse sfumature di tono. Al fine di ottenere il migliore effetto estetico, si consiglia, durante la posa, di prelevare le piastrelle alternativamente da scatole diverse e di posarle in senso ortogonale l'una all'altra. The boxes contain the item with different shade variegations. When you lay down the tiles, in order to obtain the best blend of the colours, we advise you to take the tiles alternatively from different boxes and lay down orthogonally one to the other.
- Per i formati rettangolari consigliamo una posa sfalsata massimo di 1/4 della lunghezza. For the rectangular sizes we suggest an installation pattern at a maximum of 1/4 of the entire length.
- Bordi rettificati: nella posa mono e multi-formato è consigliato prevedere fughe di almeno 2 mm. Rectified edges: when you lay down single and multi sizes it is suggested to use grouts of at least 2 mm.
- Ci riserviamo la facoltà di modificare e/o eliminare i formati, i calibri, gli spessori e le grafiche in qualsiasi momento senza che si renda necessaria una espressa comunicazione scritta. We reserve the right to modify and/or remove the sizes, the calibers, the thickness and the graphics anytime, with no obligation of a further notice in writing.
- I toni degli articoli campionati sono puramente indicativi pertanto le variazioni di tono e di superficie non possono costituire motivo di contestazioni. The shades of the samples are purely representative of the item itself so the shades variation and the surfaces variations cannot constitute the reason for a claim.
- Fondi, decori, mosaici, pezzi speciali o qualsiasi formato da taglio o rettifica, vengono prodotti uno ad uno con interventi manuali ed artigianali durante la fase di lavorazione. Eventuali imperfezioni rientrano nelle tolleranze e non possono essere considerate difetti. Plain tiles, decors, mosaics, special pieces or any item cut or rectified are produced one by one with manual and artisanal interventions during the manufacturing phase. Any possible imperfection is within the tolerances and cannot be considered as a defect/fault.

## SIMBOLOGIA - SIMBOLY

RET	Rettificato	+ Prodotto tagliato	○ Prodotto incollato su rete	* A richiesta a scatole intere
	Rectified	Cut item	Item on net	On request full boxes
①	Piastrella con torello incollato (solo su richiesta). Per uso esterno è necessario adottare tutte le misure per una posa a regola d'arte secondo usi e norme in vigore. Tile with glued torello (on request only). For external use it's necessary to adopt all precautions for a perfect tile according to usage and regulations in force.

# 3D SHAPED TECHNOLOGY

3D Shaped Technology è una nuova lavorazione digitale che si inserisce nel processo produttivo per conferire il massimo realismo ai prodotti ceramici, attraverso un procedimento superficiale che ne esalta la conformazione preservando le caratteristiche di robustezza, durevolezza e facilità di pulizia tipiche del gres porcellanato.

Coniugando visione e tatto in una realizzazione iperrealistica senza vincoli né limiti, la tecnologia 3D Shaped rompe gli schemi del concetto tradizionale di materia ceramica che, da una visione bidimensionale, passa a una realizzazione tridimensionale dove ogni dettaglio prende forma, colore e struttura.

Novità e avanguardia sono quanto caratterizza l'esclusiva 3D Shaped Technology che ha portato alla ribalta un'innovazione che ha cambiato radicalmente il concetto di superficie ceramica.

*3D Shaped Technology is a new digital process that is inserted in the production process to give maximum realism to ceramic products, through a surface forming process that enhances its conformation while preserving the characteristics of strength, durability and ease of cleaning typical of porcelain stoneware.*

*Combining vision and touch in a hyper-realistic realization without constraints or limits, 3D Shaped technology breaks the rules of the traditional concept of ceramic material which, from a two-dimensional vision, passes to a three-dimensional realization where every detail takes shape, colour and structure.*

*Development to find ever new technologies, able to offer all vanguard for the main international markets.*
